

# Killamarsh Parish Council

## Design a Christmas Bauble

Every year St Giles Church in Killamarsh hosts its Christmas Tree Festival.

Killamarsh Parish Council will be taking part in the festival for 2022 and needs the help of our younger residents to decorate our tree.

We are asking children up to the age of 12 to design and decorate a bauble to hang from our tree.

To help get you started there is a selection of colourful card available to collect from the Parish office or you can use your own.

All entries will receive a small prize as a thank you and we promise that every entry will be displayed on our tree.
