Re: Killamarsh Community Trust

Hi Lillian, as the newly appointed parish councillor to the Killamarsh Community Trust Association (KCTA), I thought it best to make contact with a fellow councillor who is also a trustee as I hope overtime we can have meaningful discussions at council meetings to make positive progress with the KCTA. I have received support from Nick Challenger (appointed as Parish representative to KCTA) for sending this initial enquiry.

I've copied Susan (Clerk) and Nick C on this email to ensure this request is a formal representation and from my understanding, the Parish council holds little to no information on the Trust. I will be looking to create a report for the parish council which will contain the information you supply along with commentary from myself and any other relevant sources. If you know of any previous reports created I would be grateful if they could be sent over.

I would greatly appreciate a response to my questions to get myself and Nick C upto speed with the current status and the future direction the KCTA is taking. I would also welcome a meeting in September (mid-late) if that's possible with yourself and other trustees.

From the charity commission website I have obtained the following information - upto October 2018

Charity no. 1065042

Financial history

My questions are:

1. We can't find any other information online nor a website dedicated to the charity, is this correct?
2. Are you able to send over a copy of the constitution that was adopted in 1997. If it is not in email form, We are happy to pop round to copy in situ.
3. We can see the overall financial performance in the diagram above. Are you able to supply a copy of the last 3 years accounts ending 2016, 2017 and 2018. Again happy to take a copy in situ if needed.
4. Is the list of trustee's listed above upto date and accurate?
5. In the KCTA's opinion, who owns the land the CLOC building resides on?
6. In the KCTA's opinion who owns the CLOC building?
7. Are you able to supply minutes of the last 2 AGMs?
8. When is the next AGM scheduled for?
9. When is the next meeting that We can attend (of any kind) scheduled for?
10. Are you able to supply a document showing future objectives and timeline?
11. Is there any other important information that would be useful to know to assist me in my capacity?
12. Do you have any questions for us?
13. Does the KCTA need/want anything from the Parish council?

Sorry about all the questions but I think it would really help myself and Nick C get upto speed.

It would be great if I could have this information and arrange a meet over the next 30 days so we can hopefully make a positive impact from the councils point of view

Many Thanks

Cllr Nick Whitehead and Cllr Nick Challenger

Killamarsh Parish Council.
